**What we did this week**

- What a lovely week we have had! It has been great to welcome back all of our children from last year and to meet lots of new ones too.
- The craft table has been very busy with fish puppets, painting, junk modelling and paper plate rainbows.
- We have had lots of wonderful things being made with Stickle Bricks, flower cogs, train tracks and the rainbow bricks. This encourages dexterity while supporting imaginative and collaborative play.
- To improve hand muscles and speech there has been lots of messy play including, play dough, foam and heuristic play.
- While the home corner has been very busy with cooking and caring for the babies we have challenged logical thinking with coloured birds and nests, rainbow pebbles, jigsaws and frogs on logs.
- There has been lots of use of pens, pencils and crayons on wallpaper and colouring sheets and there has been free drawing on the interactive board.
- We hope you have all had a good week and look forward to seeing you all for more fun and learning next week.

Pre-School are looking to buy several new tablets and two new laptops for the staff to use.

If any Pre-School parents work for companies that sell these items and offer discounts to education settings connected to their employees then we would love to hear from you!

Our **AGM** will take place on **Wednesday 27<sup>th</sup> September 2023** 8pm (Venue TBC).

It would be great to see as many Pre-School Parents there as possible.  
Thank you for your support.
