What we did this week

•What a busy week we have had at our Pre-School Zoo. The monkeys had a tea party with the children. We have made beautiful butterflies showing that we have great imagination and know our colours. We have been using our bodies to move like various animals listening to the Jungle Boogie song. Then we have made some lovely binoculars to find any wild animals that may be hiding around Pre-School.

•We have done lots of building and cutting using our fine motor skills.

•We have also been to the woods with the older children for our Forest School sessions. They have included mini den building, potion mixing, pond dipping and making leaf people and lots more fun things to do with our environment.

•Have a great weekend!

News from the Committee

Hi all,

We're very excited for the quiz at the Red Lion on Sunday 29th May at 8pm (also with a raffle) with the proceeds going to our Pre-School! This will be a fantastic night with the theme of the quiz focused on 'kids'. Get your teams together with a chance to win some great prizes (TBA).

Thank you, Laura

Committee Chairperson
