Monday 13th June- Sponsored throw week

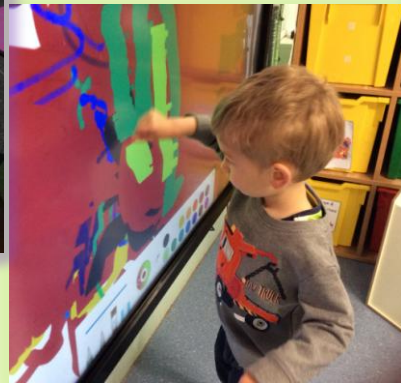

Tuesday 14th June- 4pm- New Reception parents information session at the school

Tuesday 5th & Wednesday 6th July- Parent's Evenings

Thursday 21st July-** Last day of term

What we did this week

- We have had a wonderful time in our ice-cream parlour this week. The children have made some tasty chocolate, vanilla and mint choc chip ice-cream and some amazing lollies with real sprinkles.
- Letter formation and general writing skills have been encouraged on our interactive white board, brushes and flour, colouring and having a go at writing.
- The construction table has been full of Korx bricks, Mobilo, Stickle Bricks and Flower cogs, encouraging different motor skills and imagination.
- We have talked about emotions, read stories, sung songs and danced. All to encourage listening skills, understanding and self-expression.
- PE concentrated on balance and strength this week in the hall. Using the ropes and large apparatus.
- We hope you have all had a good week and look forward to seeing you for more fun next week. 😊

News from the Committee

Many thanks to all the parents who supported the Pre-School at the quiz night in the Red lion. The evening raised a whopping £118.30!

The children are excited for their sponsored throw next week, don't forget to encourage family and friends to dig deep and sponsor your child!!
Enjoy your weekend!

Thank you, Laura
Committee Chairperson
